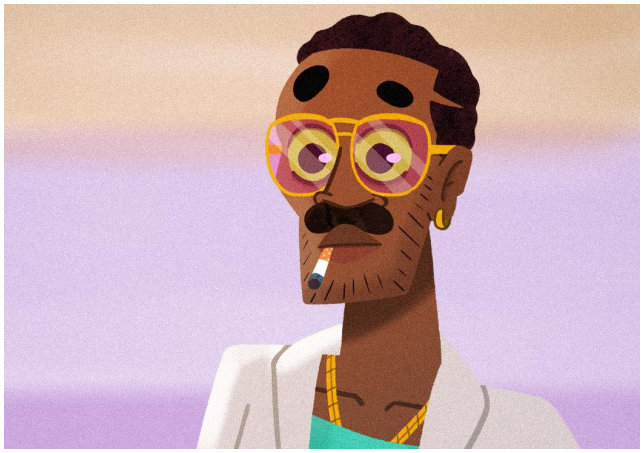
Ed Gaskew (he/they)

Character Design | Storyboards
Art Director | Supervisor



Ed has experience as a Character Designer, Storyboard Artist, and most recently as an Art Director & Supervisor on a number of various projects in the Animation Industry. They use their creativity and technical expertise to develop engaging content that captivates audiences by bringing characters and stories to life. Along with his technical abilities, he possesses strong communication skills that allow him to collaborate effectively with teams, colleagues, and high profile clients, and can successfully communicate directives from a leadership position.
